

A course banner is an image that appears at the top of the course entry point of your course. You can personalize your course by adding a banner to your course.

1. To add a course banner, go to the **Control Panel**, click on **Customization** to expand it and then click on **Teaching Style**.

2. Goto the **Select Banner** section and click the **Browse My Computer** button and navigate to find your image file on your computer. Click **Submit** when you are done.

A screenshot of a course management interface. The top section is titled '5. Select Banner' and contains the text 'The banner appears at the top of the course's entry point page.' Below this, there are labels for 'Current Banner Image' and 'New Banner Image'. Under 'New Banner Image', there are three buttons: 'Attach File', 'Browse My Computer', and a third button that is partially obscured. A black arrow points to the 'Browse My Computer' button. The bottom section is titled '6. Submit' and contains two buttons: 'Cancel' and 'Submit'. A black arrow points to the 'Submit' button.

Note: The banner image is automatically centered. A recommended size for banners is 480 X 80 pixels.

You can delete a course banner image by selecting the **delete this banner** checkbox and then clicking on submit.
